

A close-up photograph of a human eye with light-colored irises and dark eyelashes. A large, semi-transparent graphic of a cross is overlaid on the eye. The cross is composed of four rectangular segments: a teal segment on the left, a green segment on the right, a teal segment on top, and a green segment on the bottom. The text "Blink Eyecare Product Changes" is positioned to the right of the eye, overlapping the right side of the cross.
